PETITION

This is a Petition to reset the mailing date in regard to the above identified application. The Office Action was mailed to Applicant's representative on November 29, 2007. Examiner Paden has indicated that an action was originally mailed in July of 2007. Applicant's representative however did not receive the action at that time, and upon conducting a status check in November of 2007,

Serial No. 10/691,162

requested that it be re-mailed. The re-mailed action (see attached page) lists "July 16, 2006" in handwriting. Applicant considers possibly that the date may be "2007".

Applicant respectfully requests that the date of mailing, if not already set, be reset to November 29, 2007, and that any deadlines, including extensions of time needed, be calculated from that date.

If this Petition to reset the mailing date is denied, Applicant requests that this be considered a request for a petition for the appropriate extension of time to respond.

No fee is believed due for this Petition, but if one is, or if one is due for any extension of time, the Commissioner is authorized to charge deposit account 05-0208.

Respectfully submitted,
